

**Association of Pacific Rim Universities (APRU)
Distance Learning and Internet Conference 2003
@ the National University of Singapore**

Conference website: <http://www.cit.nus.edu.sg/dli2003>

Presenter: Dr Geoff Potter

Biography

Dr. Geoff Potter is on the Faculty of Education of The University of Victoria in Canada. He holds a Ph.D. from the University of Sheffield, UK. He has researched, published and spoken widely about issues related to the uses of information technology in education and distance education.

Since 1999 Dr. Potter has developed a comprehensive IT curriculum for a school in Dongguan China, including networked computer laboratory designs and a set of ten bilingual IT textbooks. The textbooks integrate Chinese and western instructional theories and teaching practices.
